## **CONDUCT—HARASSMENT, DISCRIMINATION, ABUSE**

A revised and extended version of the Allotment Rules has been agreed in principle with the Birmingham & District Allotments Council and the Allotments Working Party. Formal approval is awaited but in advance of that we have been asked to circulate the proposed Rules specifically relating to harassment.

These mirror the City Council's existing harassment policy, and amplify the existing Rule dealing with nuisance.

The key clauses are set out below.

**Birmingham City Council has a commitment to eliminating unlawful or unfair discrimination and to achieving an environment free from harassment.**

**Harassment may be of a specifically racial, sexual or religious nature, but is generally accepted to be any unwelcome physical, verbal or non-verbal conduct. All tenants are expected to comply with the City Council's policies in respect of harassment and discrimination.**

**Plotholders should be aware that where a complaint is received and subsequently upheld, the City Council may take action to terminate tenancies.**

**TURN OVER FOR COMPETITION RESULTS!**
